The S.M/O.C meet is being held in Grant Park, near picnic areas 5 & 6. Across the street from the brown pavilion. We will be taking the kids to the meet. We are requesting that parents take their kids to the meet if possible. Less trips in the school van. If there are any questions, please call the rec department.

We also need parent volunteers to help out during the meet. The more help we have the smoother the meet will run.

\* We may have to change this date and will let the kids know as the season nears its end. We have been having an end of the season team “fun run” at Grant Park. It’s a low-key event and parents are encouraged to come and watch. There are several schools that use the Park at that time of year and depending if the High School team is hosting Conference or Sectionals, some competing schools use the park to become familiar with the course. This date may be moved. If we change the date, I’ll send something home with the kids to let parents know. We generally know a week or so before the scheduled date.

All dates will be dependent on weather conditions. Please call the Rec. Department for updates.
