October 12, 2022

Dear Parents and Guardians,

As Halloween approaches, we would like to inform you of the parade route (weather permitting) that will take place for all students in grades K-5 in the Greater Nanticoke Area School District on Monday, October 31, 2022 @ 9:00am.

Students in the Kennedy Early Childhood Center and the Elementary Center will exit through the cafeteria doors of the Kennedy Early Childhood Center, proceed around the flagpole directly in front of the high school, down the road in front of the High School, and back down through the parking lots. All students will re-enter the Kennedy Early Childhood Center's main doors. There will be chalk arrows drawn on the ground for the students to follow. (Please refer to the map on back).

Parents are also asked to stay clear of the parade route to allow the students to safely proceed with their classes. Do not stop your child for pictures or run out to give your child a hug, etc.

Parking is limited. Parents are also encouraged to use off-street parking. Please note, if you are parked among the parade route, you will not be permitted to leave until the parade is over and all students have entered the building.

Dismissal for both elementary schools will be 12:00pm. Due to safety and security reasons, we will not be releasing students prior to the 12:00pm dismissal. Students will have a fun-filled day enjoying their parade and celebrations. Students will NOT be served lunch on that day.

If you intend on sending in treats for your classroom celebrations, we encourage you to send pre-packaged items to avoid any issues with student allergies.

Please ensure all costumes are sensitive to the needs of others. Toy weapons of any kind are NOT permitted. If a prop for a costume/toy is deemed to be depicted as a weapon, it will be confiscated and a parent will have to pick the item up from the office after students dismiss. It will not be sent home with the student.

In the event of inclement weather, the district will not be able to accommodate enough seating in any building within the district for an indoor parade. If there is inclement weather, the outdoor parade will be cancelled.

Thank you for your cooperation and understanding.

Ms. Jessica Fletcher
Principal
