

We are looking for volunteers!

Prior to the pandemic (when visitors were regularly inside our school building), we had a very successful volunteer program at Keppel-Sarawak! Some things post-covid seem tricky to revive but we are hoping that this is not one of those things!

We understand that everyone is busy but if someone in your family is interested in volunteering in our school, we would welcome you with a grateful heart! There are many opportunities to support the students in our school including:

- **Reading Programs**
- **Field Trips**
- **Breakfast Club**
- **Classroom Volunteers**
- **Parent Council**

All volunteers are required to have a current police check/ offence declaration (within the last 12 months) on file in our office. We can assist you with this process if you do not already have one on file.

There will be a brief orientation meeting to review general information you need to be aware of if you will be working in our school when the kiddos are here. For those offering to support our reading programs, there will be some training offered to support you in that role.

If you (or a grandparent/ aunt/ uncle/ neighbour) are interested and available to support our KS students and staff with your gift of time, please email Mrs. Radbourne (laurie_radbourn@bwdsb.on.ca) with the following information:

- **Your name (and your child(ren)'s name(s))**
- **Your contact info (email address and phone number)**
- **Your preference for what activities or programs you would like to support in our school**
- **Your availability (ideally once a week on the same time/ day.....this is not a strict commitment but it does help us with planning for space in our school and programming for students)**
- **Your availability to attend a volunteer orientation meeting on Thursday, October 5th from 9:30am – 10:30am**
