10 Reasons to Get Involved

- 1. Your child benefits.** When parents get connected to the school, children do better; they get better grades, do better on tests and have fewer discipline problems at school.
- 2. We make a difference.** Our mission is to create the kind of school community where teachers can do their best work - and so can our children. We provide resources they need to create learning opportunities for our children.
- 3. We pledge to honor your time constraints.** There's no black hole of never ending time commitment here. Many of us work outside the home and can only give so much time. It's just easier if there are more of us giving a little.
- 4. We have fun.** Not everything is easy, but we're not balancing the national budget either. We don't take ourselves too seriously and we try to enjoy ourselves along the way.
- 5. Meet nice people who share your concerns as a parent.** Our common bond is wanting the best education for our children.
- 6. There's a lot to be done.** Whether we like it or agree with it, we know our teachers are asked to do more with less. We are about getting money into our child's education where it can really make an impact and where we can control it.
- 7. We can match jobs to your interests and abilities.** We need people who know marketing, who like to work directly with kids, who enjoy writing, editing, decorating, who are print designers, and innovators. You name it, we can use it!
- 8. We're welcoming.** There are no outsiders in CMMS PTO. Come with a positive attitude and you're in! Let's be honest, we need help and we are thankful for your time.
- 9. We're about parent involvement as well as fundraising.** In these times of tight budgets, parent groups everywhere are filling in the gaps. More than 300 Independent research studies show that building parent involvement in education is the number one thing we can do to create a great school and improve student performance.
- 10. The work is very rewarding!** Each smile will show you what a difference you have made in the eyes of a child.

CMMS PTO Membership Form

Membership to the PTO is only \$5 per family and you're able to choose the amount of involvement your schedule allows. The membership form is on the back of this pamphlet. Please look it over as it lists several ways that parents can get involved. We have volunteer opportunities during the day, after school, and in the evenings. If you'd like to help but are unsure of your availability, you can check the "I may be able to volunteer - please call me if my help is needed" box. Life too hectic, but you still want to support the PTO & stay up to date on what's happening at school? Check the box that states "I am unable to volunteer, but I would like the monthly PTO minutes emailed to me."

The attached membership form and the \$5 membership fee (cash or check made payable to CMMS PTO) can be turned in at the middle school main office. You can also place it in an envelope labeled CMMS PTO and have your child turn it in to his/her advisory teacher.
