

EXPECTATIONS FOR STUDENT COUNCIL REPRESENTATIVES

ABSENCES:

Student Council representatives are expected to attend all meetings. Representatives will be allowed one unexcused absence. A second unexcused absence will place the student on probation. A third unexcused absence will cause the student to be dismissed from Student Council. If a student is absent during the school day due to illness, or leaves during the school day because he/she is sick, this is considered an excused absence.

SCHOOL STORE:

Representatives are expected to be present when their class is assigned to school store duty for the week. The attendance policy will follow the absence policy seen above. If a student can not complete their school store duty due to academic necessity, the student must let Ms. Brazee know as soon as possible. If a student is absent from school they are not required to complete their school store duty.

ACADEMIC REQUIREMENTS:

All student council representatives must maintain a “C” average in all academic courses. Representatives are also required to maintain a “Meets” in all specials. If a student falls below a “C” in any course, or below a “Meets” in any special, the student will be placed on probation for one month. The student must show improvement in this area within this month in order to remain on Student Council.

CHARACTER REQUIREMENTS:

All student council representatives should show good character and serve as leaders in our community at all times. Representatives are to show integrity, respect, and cooperation to all members of the school community at all times. If a representative receives more than one detention within any given trimester they will be placed on probation and will be suspended from their duties for the remainder of the semester. If a representative is assigned a suspension (in-school or out), for any reason, they will be immediately removed from Student Council.
